ORDER

Before the Court is plaintiff Priority-1, Inc.’s motion to enforce settlement (Dkt. No. 28).

The Court denies without prejudice the motion to enforce settlement based on the Court’s discussion with the parties during a recent telephonic hearing regarding options for proceeding and based on Priority-1, Inc.’s representation in the parties’ March 22, 2024, joint status report of its intention to file a “supplemental motion to enforce settlement” (Dkt. It is so ordered this the 30th day of March, 2024.
